

## **The Invocative Affirmation.**

*The word formula that follows, is a program to help you now to have a major asset needed to help you massively to materialize what you want in all 12 areas of your life. If you would like this asset, memorize the words. Memorizing it is the method that works the best to insert this formula into your brain, and activate it so that your body will do what it says, thus enhancing your experience of being in the world now. Experiencing the activation of these words, in your life, can be a great asset for you, and a tremendous pleasure and happiness can arise from doing this.*

I have a fully realized empowering relationship with the true spiritual being that I am, and the ALL that is, and the spiritual being that is my forever lover, in every place and time. From this that I am emanates my great timing, great positioning, great direction, and every expression of my great personal being. I am now interacting favorably and lovingly from my being in all situations so that now materialized is the best of my desires and imaginations in harmony with the ALL That IS, and my forever lover.

The all powerful and loving intelligence that IS and the loving intelligence that I am, and the loving intelligence that my forever lover is, are ultra-functionally harmonized with each other knowing the true nature of all phenomena and the genuine course of all events.

From my core, in relationship with ALL that IS and my forever lover I sense and know clearly the levels of truth in all which concerns me. With completely accurate holistic perceptions I sense the whole truth regarding the future development of all situations. The nature of these perceptions is absolutely reliable.

Hence, I take the correct action in all circumstances, or I refrain from action, according to my proven effective intelligence so that always now materialized is all that I desire and imagine to have and do and be. Absolute knowing is evident in the results that I experience.

Absolute attunement to the true being that I am, the true being that is my forever lover, and the absolute source of ALL That IS empowers me absolutely.

**The Invocative Affirmation Alternate Version (choose either this version or the one above. We do not recommend memorizing both. Choose the one you feel most attracted to.)**

*Memorize the following words and you will find that your ability will increase to know the future, and to know what to do about it. We realize that memorizing is a bit of work, but don't you think the results are worth it?*

I am developing an empowering relationship with the guiding force field which guides the development of all, and in doing so my sense of timing and correct reaction as regards all situations becomes evermore reliable and evident.

This all powerful intelligence informs me of the true nature of all phenomena and the genuine course of all events.

From my core, I sense and know clearly the levels of truth in all which concerns me, and with completely accurate holistic perceptions I sense the whole truth regarding the future development of all situations... the nature of these perceptions is absolutely reliable.

Hence, I sense the correct action to take in all circumstances. This absolute knowing is evident in all I am, as every action resonates dynamic potency.

Absolute attunement to this absolute source empowers me absolutely.

Special notes:

A memorizing tip that worked well for me, is start memorizing the last sentence first. Then work your way backwards, so that you are building up from the bottom so to speak, instead of starting and that top and working down. For some reason this makes the memorizing very easy.

Personally, I have been using this affirmation, and an earlier version of it, for over 10 years. It works very well for me. One thing it helped me to do was develop the ability to trade stock market futures professionally. It is very potent affirmation.

I hope that you get excellent results. It is essential that you memorize the affirmation, for some reason that seems to unlock its magical power.

Yours Truly,
